SUMMARY

Pre- final year Engineering student with hands-on experience in full-stack web development using the MERN stack. Skilled in building responsive interfaces, developing REST APIs, and working with databases. Eager to apply technical skills in real-world projects and internship opportunities while continuously learning and improving.

SKILLS

- React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Tailwind CSS for responsive frontend development.
- Node.js, Express.js, RESTful APIs, MongoDB, Mongoose, schema design, and CRUD operations for backend & database management.
- Strong problem-solving skills in C++ (Data Structures & Algorithms) with Git & GitHub for version control.

PROJECTS

Wanderlust – Full Stack Airbnb Clone (MERN Stack)

- Built a full-stack Airbnb clone using MongoDB, Express.js, React.js, and Node.js with user authentication and RESTful APIs.
- Implemented CRUD operations for property listings and reviews, integrated image uploads, and designed a responsive user interface.
- GitHub: github.com/dg817081-jpg/Wanderlust

Web Clone – K72.ca (Animated Website | React + GSAP)

- Built a fully animated and responsive clone of the K72 agency website using React.js and GSAP, implementing smooth scroll-triggered and timeline-based animations.
- Designed modern and interactive UI/UX with reusable React components for scalable architecture.
- Optimized performance and responsiveness to ensure seamless cross-device user experience.
- GitHub : github.com/dg817081-jpg/K72-website

EXPERIENCE

Web Development Intern – SYNTECXHUB (Remote)

February 2026 – March 2026 | 1 Month

Worked on real-world web development projects, building responsive user interfaces and assisting in backend API integration.

Performed CRUD operations and optimized database handling to ensure efficient data management.

Enhanced debugging, problem-solving, and collaboration skills while contributing to live remote projects.

EDUCATION

Rustamji Institute Of Technology | 2023-2027

Bachelor of Technology in Information Technology

CGPA : 7.2

PM SHRI Kendriya Vidyalaya Mahoba | 10+2 | 2020-2023

10th Percentage : 75.6%

12th Percentage : 70% in Science

CERTIFICATE & ACHIEVEMENTS

- Full Stack Web Development (MERN Stack) – Apna College
- Data Structures & Algorithms using C++ – Apna College
- Adobe Hackathon Participant – Unstop
